

10 UNITED STATES OF AMERICA,

11 Plaintiff,

12 v. No. CR 14-00175-WHA

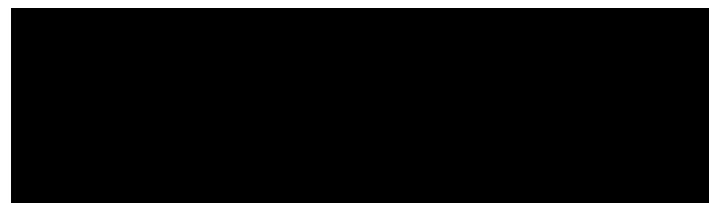

13 PACIFIC GAS AND ELECTRIC
14 COMPANY,

15 Defendant.

**16 ORDER RE IMPROPERLY
17 REDACTED FILE**

18 In an earlier motion to seal, PG&E sought “to redact for safety reasons the names,
19 addresses and contact information of the PG&E employees and contractors identified in these
20 documents. PG&E further [sought] to redact the names, addresses and contact information of
21 PG&E customers in these documents” (Dkt. No. 1326). A prior order herein granted the
22 motion to seal those materials (Dkt. No. 1341). Then, PG&E manually filed a redacted
23 spreadsheet, Exh. H-1 to Dkt. No. 1323, with the Court (Dkt. No. 1505).

24 This exhibit, however, appears to have over-redacted contents. For instance, tab “PI”
25 contains cells M6273 through M6280. In the public-facing document, those cells appear like
26 this:

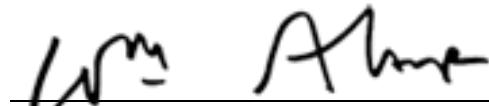

1
2

[REDACTED]

3 Reviewing the unredacted version submitted under seal and manually lodged with the
4 Court, only a small portion of these cells' contents fit the bill for sealing. PG&E has over
5 redacted by blacking out the entire cell. PG&E shall properly redact *only* names, addresses,
6 and/or contact information of PG&E employees, contractors, and customers. It shall resubmit
7 this file (Exh. H to Dkt. No. 1323) no later than **NOVEMBER 15 AT NOON**. PG&E shall also
8 review its submissions for any other over-redactions and correctly refile (if needed), no later
9 than **NOVEMBER 30 AT NOON**.

10 **IT IS SO ORDERED.**

11
12 Dated: November 9, 2021.
